I really like the vertical image but the horizontal seems narrow maybe we need an image that shows more of the car and the officer with the police emblem on the door.

Hello Alex,

I received a call from some of your partners asking for a vertical banner unfortunately with the pic i received I can only use it for a horizontal design. Brian can you send me an image to use for the vertical banner. dimensions are 24x96 need this at your earliest so we can get approval and go to print.

Thanks

Hello Brian,

This is my 3rd attempt to contact you about the banner to be printed, Alex is asking me for comps of the banner and I simply need the original photo with no text, so I can mock up a sample for him. Are you getting my emails, if so can you send the original photo over please.

Thanks
